

# WELCOME TO THE INFORMATION MEETING

---

Fælledby school

# Tonight's program

- Presentation
- Fælledby school
- To start as a May child
- First day
- Day structure in May
- Being "new" parents of future schoolchildren
- Parental cooperation
- Time for questions

# Fælledby school

- New school- lots of possibilities
- Comfort and the small community with approx. 50 children from the start
- Get some regular, well-known Kindergarten class teacher and pedagogue collaboration
- Multicultural school with many different languages
- Nature in the city and the future

# To start as a May child

- May course is to support and practice
  - Going to KKFO
  - To make new friends
  - To get a good start at school
- Starts in 2 basic groups
- Dail-programs and week-themes mased in six areas of competence
- Basic rooms "Oasen" and "building room"

Opening hours 6.25-17/16 on Fridays

# First day – Thursday 2 May

at 9:00 a.m

- We meet in the courtyard by the statue. We are all followed in together with basic adults, and find our place with a name on it.
- The parents say goodbye to the children and go out, where KKFO leader Mette will be present.

At 10:45 a.m

- The base groups come out and reveal what secret they have been up to.
- We say thank you for today and see you tomorrow.

If your child stays at the KKFO, you must remember to check it in with the group's adult in the yard

# The daily structure in May and June

- 6.25-8.00: Possibility of handing in tomorrow - KKFO in the heart room together with ASF
- 8.00-9.00: Free play. All children must have arrived and said goodbye at 9.00 before assembly
- 9.00-9.45: Gathering and mini-meal in group room Gennemgang dagen med piktogrammer
  - Dialogic reading. Focus om language
  - Eat minimal food
- 9.45: Free time outside
- 10.00-11.30: Educational activities (next slide)
- 11.30-12.00: Lunch 12:00-12:30: Free time outside
- 12.30-1.30pm: Educational activities with massage stories/free from bullying/mindfulness or similar
- 13.30-16.00: KKFO – time > free time educational activities.
- 16.00-17.00: end together with ASF in KKFO heart room

# Educational activities

Daily programs and week-themes based on six competence areas

- Week 18 and 19 intro week
- Week 20: friendship and well-being
- Week 21: Play and movement
- Week 22 Creative week
- Week 23: Traffic and trip week
- Week 24: Construction
- Week 25: School week - numbers, letters, concepts
- Week 26: Nature week and teddy bear week

# Being the parents of a May child/school starter

- Parents' trust and security can be seen in the child
- Tell your child that he is always learning - things take time
- Support that you believe that the child can do all the new things
- When something is difficult, you have to use the adults (even if you don't know them yet)
- Short days at the start - if possible

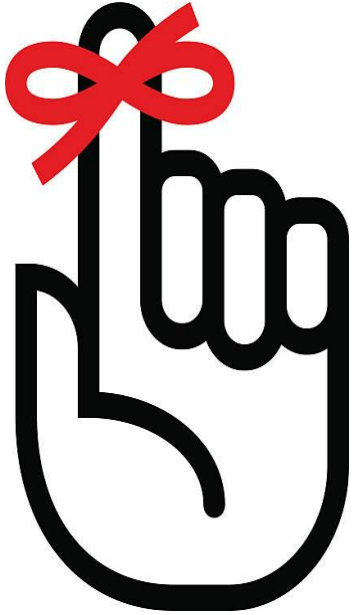

# Parental cooperation

- Mutual communication for the best interests of the child
- Aula: weekly plans are sent out every Friday, messages and announcements
- Daily contact
- Remember to send us relevant information and to grant permissions at Aula

## What should your child bring:

- Mini food
- Drinking bottle with water
- Lunch box
- Rain clothes and boots - because we go out in all kinds of weather  
Change of clothes including underpants and socks (remember to check regularly)

# What is going to happen until May

## Time schedule:

- Visiting day with your children on 17 April at 15-17
- Parental information with various information and a letter will be sent to your child's e-box before starting
- 1st day: Thursday 2 May at 9-10.45
- 10 May (Friday after kr. himmelfart)
- Week 29+30+31 – Summer closed- KKFO with care at Ørestad Skole KKFO

First day of school: Monday 12 August from 9-10.45

Time for questions
